ANNOUNCEMENTS

Assistant/Associate Director of Residential Life

Please join candidate #1 for a presentation/open forum on May 8, 2019 at 9:45 AM in Forsyth Library – South Study Area. The candidate will be presenting “Building connections in with Residential Life”.

Donations for Senegal Study Abroad

This summer nine FHSU students will be traveling to Senegal, Africa for a study abroad trip. This trip investigates how the environment, policy, and human health are linked. The trip will be occurring this summer directly after the semester ends May 23-June 4th. We will be conducting a service learning activity and we will be visiting a new grade school setup by a group of Drs. that will also be talking to our pre-health students.

As part of this activity we are collecting donations of school supplies, clothes, and easy to pack sports equipment (blow up balls, frisbees, etc.) for 6-11 year olds. If you wish to donate you can bring the supplies to Alberson Hall 303. The last day for donations is Monday, May 20th by 4:30 so that we can get them packed into a suitcase to take with us.

Questions please contact Mitch Greer (mjgreer@fhsu.edu)

Thank you for your support.

Campus Diabetes Network

The Student Health Center promoting a College Diabetes Network on campus. The network will provide support for those dealing with diabetes by scheduling information events and offering free lab screenings. If you are diabetic, have a friend or family member who is diabetic, or just want to help us promote awareness and services, please contact Amanda McCord at the Student Health Center.

Change to Sign-In Experience

A change is coming to the sign-in experience for some sites.

In an effort to unify our users' sign-in experience, and provide better overall security, Technology Services will be making changes to the authentication method for a number of sites and services. Beginning on May 28th, users will no longer be presented with the "CAS" sign-in page, and will instead be directed to the new SSO sign-in page, also referred to as "ADFS". The only change will be the sign-in page itself; users will continue to use their TigerNetID credentials as usual. Below is a short list of some affected sites. If you have any questions or concerns, or experience any sign-in issues after this change, please contact TigerTech at 628-3478.

- Blackboard
- Gmail
- Network registration pages
- TigerTracks
- TigerCentral
- TigerEnroll
- Library (Ezproxy and Exlibris)
- T2 parking permit system
- TK20
- Starweb

- TigerLink
- Starfish

Financial Aid False Statement on Facebook

Recently it came to the attention of the Fort Hays State University Financial Assistance Office that a false statement has been circulating around Facebook. The post, sponsored by Greater Outlook, and titled *FORT HAYS STATE UNIVERSITY has given APPROVAL for COMPLETE FORGIVENESS to all FORMER STUDENTS. Last Day to Sign Up*, they include a picture of a Fedloan Servicing document that shows the Current Principal Balance as \$0.00. Our office is reaching out to you to let you know that **this post is a scam**. Fort Hays State is not forgiving any loans. The University has contacted Facebook to let them know about the issue, and it seems that the post has been removed. However, it may reappear and we want you to be informed.

Your federal student loan information can be viewed by logging into NSLDS at https://nslds.ed.gov/nslds/nslds_SA/, using your FSA ID username and password. All other loan information can be accessed by contacting your lender. If you have any questions, please feel free to contact the Financial Assistance Office at (785) 628-4408 or by email at www.fhsu.edu/finaid.

TILT Tip: Knowledge Series - Conclusion

Knowledge starts from small bits of information to complex system of theories and laws, then they are applied to real world scenarios as actions and procedures. A learner needs to have substantial knowledge to be able to analyze problems, plan strategies, test and improve strategies. The classification of knowledge can help instructors and learners to select the appropriate learning activities as well as assessments.

FHSU Bands in Concert Friday!

Friday, May 10; 7:30pm
Beach Schmidt Performing Arts Center

The Fort Hays State University Wind Ensemble and Symphonic Winds will perform their final concert of the year, entitled “And All Points Between” on Friday, May 10th at 7:30 in the Beach/Schmidt Performing Arts Center.

The Fort Hays Symphonic Winds, under the direction of Dr. Peter Lillpopp, will perform several selections from the famed series of British Band Classics featuring works by Gustav Holst and Percy Grainger. Leading two compositions will be student conductors Hector Hernandez and Tyler Rathbun, both senior music education majors. Additionally, the band will perform *Cryptids*, a recent multi-movement work by Kansas State University professor of Oboe, Alyssa Morris.

The FHSU Wind Ensemble will open the second portion of the concert featuring Kansas University Professor Emeritus James Barnes’ *Invocation and Toccata* and American composer Morton Gould’s *Ballad for Band*. A highlight of the half will be Alex Shapiro’s *Tight Squeeze* for band and Electro-Acoustic soundtrack. Ms. Shapiro was the composer-in-residence for the ensemble’s March, 2015 performance. As with earlier concerts this year, both bands continue to place emphasis on music by under-represented composers including women and musicians of color.

Contact 628-4533 for further information.

CSD Summer Workshop

Monday, June 4; 9:00am to 3:30pm

Albertson Hall, Room 169

On Monday, June 4th, 2019 from 9:00 a.m. to 3:30 p.m. in Alberston Hall Room 169, join us for “Powerful Tools to Grow Language and Adapt Curriculum.” This workshop will introduce ideas, curricula and materials that will not only meet the needs of each student but will also make your life easier. We will explore the four implementation pillars for supporting individuals with complex communication and learning needs: education, communication, access, and social/emotional learning. Participants will learn to use Snap + Core First, Boardmaker, and other resources to develop specific strategies for supporting success within each of the pillars, both for the therapy room and the classroom. After the workshop you will walk away with practical resources to use immediately.

Anyone attending this event must pre-register online using this registration link:

Ceramics Course Offerings

Want to Add some Clay Action to your Fall 2019 Schedule?

Explore the New Atmosphere of Ceramics in the Center for Art and Design

If Hands-On Learning in a Dynamic Collaborative Atmosphere is for you, consider enrolling in:

Art 260 Ceramics I

Explore the broad foundation of Ceramics in Creation Stations, then go in-depth and use your new skills to express yourself during the Deep Studio sessions. Learn about clays, forming and glazing techniques, load and fire your own work. This class is designed for the student seeking an elective that can lead to a creative outlet or those who want to use ceramics in their studio or classroom career. Students from all majors and art concentrations are welcome.

Art 360 Ceramics II

Making Art Pots with a focus on vessel forms and expressive surfaces will teach the basics of throwing on the potter's wheel and a variety of surface techniques that involve drawing, painting and printmaking. Learning to respond to a 3D form with artistic marks and color allows for a range of expression from abstraction to narrative. Pre-requisite can be waived for non-Ceramic majors.

Art 460 Ceramics III

Advanced Ceramics students will design and create their own personal projects. As a group, we will create forms and surfaces intended for atmospheric glazing in our new soda kiln, explore mold making and slip casting, create glazes using the fusion method and design an ideal ceramics studio.

Workshop in Building a Soda Kiln with Ted Neal

September 13 – 16 and September 27 – 30. Visiting Master Kiln Builder, Ted Neal will lead participants in building a soda kiln. The final weekend will involve test firing the kiln.

You are invited to help us fill our new labs with an atmosphere of creative play and artistic achievement. Let's get muddy!

Please contact Linda Ganstrom at lmganstrom@fhsu.edu if you have questions.

Ben & Jerry's: A Sweet Learning Opportunity for Everyone!

Dear FHSU Advising Community,

As we continue to work through enrollment, we'd invite you to share an interesting and fun opportunity with your students and consider the high-impact potential to your advisee!

**FHSU's first pop-up, short course
is AVAILABLE TO ALL FRESHMEN as well as
any student with any major,
graduate students, and even those with honors college contracts.
GBUS 673 also counts toward the Entrepreneurship certificate.**

The 4-week online class will travel to Detroit in October to eat ice cream with a co-founder of Ben & Jerry's and attend a two-day green business conference.

GBUS 673 *Moral Corporate Leadership and Social Justice* will allow dozens of Fort Hays students to meet a living legend in the corporate social responsibility field.

This is an ideal course for any student to "bolt on" to a regular load, and can be an option for a student making adjustments (adding or dropping courses) in the first weeks of class, yet looking for options to remain in "fulltime" status. Please consider that **enrollment in this course is open until September 30.**

FREE BOOKS about Ben & Jerry's are available now to any faculty or student even thinking about enrolling in this course. Get your copy in the Management office, 3rd floor RCOBE. Room 302. Syllabus is also available for review.

Piece-of-the-Pie Scholarship

Please share with students and student employees, or consider gifting this opportunity to your student workers:

Students can win the Piece-of-the-Pie scholarship for the 2019 – 20 academic year by purchasing tickets. Criminal Justice Club members are selling tickets for the half-and-half scholarship until May 13, and all FHSU students can win. The more tickets sold, the more the scholarship is worth. Tickets can be purchased for 1/\$1.00, 6/\$5.00, or 13/\$10.00. There are several ways to purchase tickets, including: 1) stop by the Department of Criminal Justice in Rarick 233; 2) email tjlynn@fhsu.edu to request tickets; 3) visit the Criminal Justice Club's booth at the UAB carnival on April 27, where each game played equals one entry for the scholarship; or 4) look for members outside of Starbucks in the Union on May 1 and 2.

If every on-campus student bought just one ticket, one lucky student would win a scholarship of more than \$2000. Online students are also eligible to win. The winner will be notified Monday, May 13. The scholarship will be received through

FHSU Foundation, as with any other scholarship.

Do not delay; get your tickets today!

CRJ380 Community and Crime – Available for Fall 2019

Are you interested in VR, 360 video production, geoscience, and promoting a safe and beloved community? Consider registering for CRJ380 Community and Crime in Fall 2019. In this class, you will be able to explore the differential geographic and social patterns of crime, discuss responses to crime at the neighborhood level, and participate in a class project to work on a geoscience app that can be used for the FHSU and Hays community. This is an honors course, all students and majors are welcome!

Political Science Offers Students Four 8-Week Courses for Fall 2019

Do you know a student looking for a course that can teach valuable skills and information that isn't a semester long? The Department of Political Science is pleased to offer four 8-week courses for Fall 2019, including:
